Pioneering The New EI™ (Energetic Intelligence)

“The Intelligence AI Cannot Replace.”

Wendy Paige Sterling is the founder of The New EI™, a leadership framework redefining how modern executives navigate an era where data, strategy, and artificial intelligence are no longer sufficient on their own.

A former senior level media executive turned leadership mentor and Oracle, Wendy bridges the worlds of high-level executive strategy and intuitive intelligence. She teaches leaders how to access Embodied Awareness and Inner Authority to navigate complexity with absolute clarity. As technology accelerates, Wendy’s work focuses on cultivating the one intelligence technology cannot replicate: human energetic intelligence.

SIGNATURE TOPICS:

- * **The New EI™:** Why the most successful leaders of the next decade will rely on internal intelligence as much as strategy and data.
- * **Internal Authority:** How high-performing leaders make clear decisions without outsourcing their power.
- * **The Missing Intelligence:** Why intuition is the most valuable executive skill in a rapidly changing world.
- * **Leading Through Uncertainty:** Using The New EI™ to navigate disruption with a grounded signal.
